## Education

**Sagar Institute of Science and Technology** 2024-2028

Bachelor of Technology  
8.46

**Scholars Academy H.s. School** 2023-2024

PCMB

**Faiz Public High School** 2021-2022

## Certification

**Agentblazer Champion - Smart bridge (in collaboration with Salesforce)**

**AWS Cloud Quest: Cloud Practitioner - AWS**

**C Essentials 1 - Cisco**

**C Essentials 2 - Cisco**

## Workshops & Training

### **Android App Development**

Successfully completed a one-week workshop on Android App Development using Flutter, enhancing my ability to design and develop user-friendly mobile applications.

## Objective

Dedicated and motivated CSE-AI&DS student with a strong interest in Artificial Intelligence, Data Science, and programming. Seeking a part-time role or internship where I can apply my academic knowledge, strong problem solving skills and willingness to learn. Committed to contributing positively to the organization while gaining hands on experience and developing industry-relevant skills.

## Projects

### **Calculator**

Developed a responsive Calculator Web Application using HTML, CSS, and JavaScript with basic arithmetic operations and interactive UI design.

### **Findora**

Developed Findora, a user-friendly lost and found application that streamlines reporting and tracking of items, improving recovery efficiency through a structured digital system.

## Achievements

### **Meritorious Student Award**

Muslim Education Career and Promotion Society (MECAPS) for academic excellence

### **Android App Development Competition**

Secured Second Position in Android Application Development (Flutter) competition during a one-week technical workshop

### **MIT App Inventor Excellence Certificate Award**

I secured 1st Position in the Super 50 Workshop and received the MIT App Inventor Excellence Award Certificate for my IoT-based application

## Skills

- **Languages:** C, C++, Python, Html, CSS, JavaScript
- **Soft Skills:** Communication, Team Collaboration, Event Management, Learning New Skills, Problem Solving, Volunteering
